

PARTICIPATION LIST

The Participation List is a list of all the employees from your company who are eligible to participate in the Games and have activated an electronic waiver. We encourage you to send the invite to ACC to all employees as they will need to have completed the waiver regardless of participation if they plan to attend the opening or closing ceremonies. We will have waivers on site as well for opening and closing ceremonies as well.

Your Company's Participation List will be downloaded by the ACC Office at 5:00 p.m. on Thursday, March 23. Each company's Participation List is duplicated and will be on-site at each event for use by ACC Staff.

Anyone attempting to check-in for an event whose name is not on your Company's Participation List will not be allowed to participate.

The ACC office will download your Company's Participation List from Challenge Manager at 5:00 p.m. on Thursday, March 23. You, as Company Coordinator, are responsible for making sure all eligible participants have gone online to sign-up or that you (as the Company Coordinator) have signed them up (using "Invite Player" through the "Manage Team" feature on your Company Coordinator Dashboard).

- The Participation List serves two purposes:
 - It tells ACC the names and ages of individuals who you are authorizing to represent your company in the ACC Games.
 - It tells us an electronic waiver has been signed by which participants.
- A valid driver's license or other picture ID may be required for identification before a competitor or substitute is allowed to participate. Please be sure participants have their ID with them at all events. Random onsite ID checks will take place at events.

Participation is based on the age a person will be as of December 31, 2023.
